YIYAN LUO

New York, NY | (206) 837-2508 | y2842903264@outlook.com

EDUCATION

New York University, Tisch School of Arts, New York, NY — Sept. 2025 - June 2029
BFA, Interactive Media Art (IMA), Minor in Computer Science
Overall GPA: 3.95; Major GPA: 4.0

WORK EXPERIENCE

UX Designer, **Think Round** — June - Sept. 2026

- Designed UX/UI for virtual exhibitions and internal mental-health meditation pages, developing visual concepts and end-to-end user flows.
- Built low-to-high-fidelity wireframes, user stories, and interactive prototypes; iterated designs based on user testing feedback.
- Collaborated with product managers, developers, 3D animators, and architectural renderers to turn conceptual ideas into functional digital assets.

Member (PR Department), **NYU CSSA** — Sept. 2025 - Present

- Create various promotional visual and written materials, including WeChat official account articles, event posters, illustration assets, and merchandise artwork for Instagram, WeChat, and Xiaohongshu(RED).
- Post event updates consistently across social platforms, accumulating 6,000+ total likes and saves on Xiaohongshu(RED).

Interactive & Social Content Designer, **CHP**

July. 2023 - Aug. 2023

- Worked with teammates to create cultural merchandise and designed the IP image of the theme for the hutong heritage project.
- Captured on-site photo and video footage during offline exhibition events, edited short promotional videos, and drafted captions and copy for multi-channel social distribution.
- Cross-platform posts got picked up by Phoenix News Network, accumulating 111,000+ views, raising ¥4,100 in charitable donations, and earning the Best Innovation Award.

SKILLS

- **Design Tools:** CapCut, Canva, Adobe Creative Suite, Figma, Procreate
- **Interactive Media Tech:** p5.js, Arduino, HTML, CSS, JavaScript
- **Platforms:** Xiaohongshu(RED), Instagram, TikTok
